Withdrawal Reminders

Summer is in full swing and we hope you are enjoying all the fun and sun that this time of year brings! It’s hard to believe school will begin in just a few short weeks. If your beneficiary will be a college freshman or a returning college student, here is important information to remember as you prepare to utilize your CollegeCounts account to pay for first semester expenses:

- Eligible Institutions are postsecondary institutions that are accredited by the U.S. Department of Education and are eligible to participate in Federal Financial Aid Programs. The list includes public and private colleges and universities; vocational, trade, technical, and professional institutions; and even some foreign schools. You can search for eligible schools at CollegeCounts529advisor.com by selecting "Which schools are eligible institutions?" under our FAQ tab.

- Qualified Expenses include: tuition, fees, books, supplies, and equipment required for enrollment; certain room and board expenses incurred by students who are enrolled at least half-time; the purchase of computer or peripheral equipment, computer software, or internet access and related services; and certain expenses for special needs services needed by a special needs Beneficiary.

- It’s easy to request a withdrawal through our secure website, CollegeCounts529advisor.com. Log in and complete the simple steps in a matter of minutes.

- Payments can be issued to the Account Owner, Account Owner’s bank account, Beneficiary, or directly to the school.

- Please allow sufficient time for the withdrawal to be completed and to receive funds. We process distribution requests quickly—typically the same business day if the request is received prior to 3 p.m. CST. Please allow additional time for checks to arrive by mail and for the school to process the payment.

- Keep all receipts, invoices, or other expense documentation in the event you need proof of your expenses in the future.

An investor should consider the investment objectives, risks, and charges and expenses associated with municipal fund securities before investing. This, and other important information, is contained in the fund prospectuses and the CollegeCounts 529 Fund Program Disclosure Statement (issuer's official statement), which can be obtained by calling 866.529.2228 or on the plan's website and should be read carefully before investing. You can lose money by investing in a portfolio. Each of the portfolios involves investment risks, which are described in the Program Disclosure Statement. An investor should consider, before investing, whether the investor's or designated beneficiary's home state offers any state tax or other benefits that are only available for investments in such state's 529 plan. Investors should consult a tax advisor. The CollegeCounts 529 Fund is a qualified tuition program under Section 529 of the Internal Revenue Code that is offered by the State of Alabama and administered by the Board of Trustees of the ACES Trust Fund (the "Trust" and plan issuer).

1 Individuals who file an Alabama state income tax return are eligible to deduct for Alabama state income tax purposes up to $5,000 per tax year ($10,000 for married taxpayers filing jointly if both actually contribute) for total combined contributions to the Plan and other State of Alabama 529 programs. The contributions made to such qualifying plans are deductible on the tax return of the contributing taxpayer for the tax year in which the contributions are made. In the event of a Nonqualified Withdrawal from the Plan, for Alabama state income tax purposes, an amount must be added back to the income of the contributing taxpayer in an amount of the Nonqualified Withdrawal plus ten (10%) percent of such amount withdrawn. Such amount will be added back to the income of the contributing taxpayer in the tax year that the Nonqualified Withdrawal was distributed. Please consult with your tax professional.
