An investor should consider the investment objectives, risks, and charges and expenses associated with municipal fund securities before investing. This, and other important information, is contained in the fund prospectuses and the CollegeCounts 529 Fund Advisor Plan Program Disclosure Statement (issuer's official statement), which can be obtained from a financial professional and on CollegeCounts529advisor.com and should be read carefully before investing. You can lose money by investing in a portfolio. Each of the portfolios involves investment risks, which are described in the Program Disclosure Statement.

An investor should consider, before investing, whether the investor's or designated beneficiary's home state offers any state tax or other benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in such state's 529 plan. Investors should consult a tax advisor.

The CollegeCounts 529 Fund Advisor Plan is a qualified tuition program under Section 529 of the Internal Revenue Code that is offered by the State of Alabama and administered by the Board of Trustees of the ACES Trust Fund (the "Trust" and plan issuer). Union Bank & Trust Company serves as Program Manager and Northern Trust Securities, Inc., acts as Distributor. Accounts and investments under the CollegeCounts 529 Fund Advisor Plan are not insured or guaranteed by the FDIC, the State of Alabama, the State of Alabama Treasurer, the Board, the Trust, the Program, Union Bank & Trust Company, Northern Trust Securities, Inc., or any other entity. Investment returns are not guaranteed, and you could lose money by investing in the plan.

Individuals who file an Alabama state income tax return are eligible to deduct for Alabama state income tax purposes up to \$5,000 per tax year (\$10,000 for married taxpayers filing jointly if both actually contribute) for total combined contributions to the Plan and other State of Alabama 529 programs. The contributions made to such qualifying plans are deductible on the tax return of the contributing taxpayer for the tax year in which the contributions are made. In the event of a Nonqualified Withdrawal from the Plan, for Alabama state income tax purposes, an amount must be added back to the income of the contributing taxpayer in an amount of the Nonqualified Withdrawal plus ten (10%) percent of such amount withdrawn. Such amount will be added back to the income of the contributing taxpayer in the tax year that the Nonqualified Withdrawal was distributed. Please consult with your tax professional.
